IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, shaggy and tangled, just an application of two of Sage and Sulphur enhances its appearance a hundred-fold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wyeth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

GOLDEN RULE'S BIG SALE ATTRACTS CROWDS OF SHOPPERS TO STORE

The crowds attending the first two days of the big midsummer sale at the Golden Rule Dry Goods Co. store attest to the popularity of this store with the people of Albuquerque.

Every department was crowded with buyers at all hours yesterday and today. A large corps of extra clerks had been added and all of the clerks were kept busy.

The Golden Rule has inaugurated its practice of closing the store from 12:30 to 2:30 each day during July and August. This gives the clerks a couple of hours rest in the heat of the day and ample time to go to their homes for their noonday lunch. Special bargains are being announced by the Golden Rule for each day during this week, and there will be more bargains all next week.

DATES SET FOR TWO MORE COUNTY FAIRS FOR NEXT SEPTEMBER

A meeting of the county fair association of Torrance county has been called for next Monday, at which dates for the September county fair will be fixed. The fair will be held at Willard and because of the very favorable conditions prevailing in the Estancia valley this year, is expected to be a dandy.

The Colfax county fair at Springer will be held this year, September 25 and 26.

One of the umpires who performed at Belen Sunday afternoon when the Albuquerque met the Cut-off nine was deliberately stigmatic and purposefully larcenous, and every time Belen got in a hole he batted 1,000 per cent for the home team; otherwise, say the Albuquerque, he was an A No. 1 umpire.
